Document Number 128A - (ABSTRACTS MURKIN)

Document number 128A consists of one page containing the abstract for serial 44-38861-2756 of the FBIHQ MURKIN file, dated April 30, 1968. Portions of this document were withheld.

Deletions were made pursuant to (b)(2) and (b)(7)(D). Exemption (b)(7)(D) was cited to protect the identity of an individual who was able to provide information to the FBI as a result of his employment. Release of this material would divulge his cooperation with the FBI. (See paragraph 14b, supra.)

Exemption (b)(7)(D) was also used in conjunction with (b)(2) to withhold the symbol number of an established source who furnishes information to the FBI on a continuing basis. Release of this number would not only cause damage to the FBI's internal accounting of its informant network, but could also allow for the identity of the informant to be determined. (See paragraphs 12 and 14c, supra.)
